More and more passengers want to take Rémi trains with their bikes. In order to better meet this demand and to make your travel easier this summer, the Centre-Val de Loire Region and SNCF Voyageurs guarantee all travelers (travel pass holders and passengers with train tickets) a place for their bicycle within the limits of the places available on these Rémi lines, via the purchase of a bicycle booking at €1 per bicycle and per train.

## HOW TO TRAVEL WITH PEACE OF MIND WITH MY BIKE ON TRAINS WITH MANDATORY BIKE RESERVATION?

### How to travel in order?

To be in order and travel with your bike, you will need to have a train ticket or travel pass and a bicycle reservation at the single rate of €1 per bicycle and per train. Trailers, tandems, cargo bikes and recumbent bikes are not allowed on board.

### Anticipate your bike booking

Reservations are open for sale on the Rémi website.

**You are responsible for your bike during the entire trip, as well as during loading and unloading.**

### BEFORE MY JOURNEY

- 1 As the number of bicycle places is limited, I make my booking as soon as possible and preferably 48 hours before the planned travel date.
- 2 I check the availability of bike spaces before buying my train ticket.
- 3 The bicycle booking purchased is only valid on the train chosen at the time of purchase.

### THE DAY OF MY TRIP

- 1 I arrive 20 minutes before the departure of the train and I label my bike with the printed booking coupon beforehand.
- 2 I remove the baskets from the bike.
- 3 I look for the bicycle pictogram on the train and place the bicycle in the dedicated space.

### DURING MY TRIP

- 1 For safety reasons, the bicycle must not interfere with doors, emergency exits and areas reserved for people with reduced mobility.
- 2 In case of difficulty, I approach the Rémi personnel.

### REFUND REQUEST

- 1 This bike reservation is refundable and exchangeable until the departure time indicated on the booking, via the website where the bike reservation was purchased.
- 2 For any question or complaint, I contact the Rémi Customer Relations Centre via the online form on the website [www.remi-centrevaldeloire.fr](http://www.remi-centrevaldeloire.fr), section "Contact us"

 In case of overcrowding and without a valid bicycle booking, SNCF reserves the right to refuse bicycles access on board.
