

OUR TOP TIPS TO TRAVEL ON TER TRAINS WITH YOUR BIKE?

Try to favour TER train times which are **41.2U** less busy or trains offering the **TER + Bike service**.

During busy periods, we may refuse boarding with a bike. Please refer to the list of recommended services by TER Nouvelle-Aquitaine.

Store your bike (without any large accessories) in the bike spaces provided (subject to available space).

Please note! Tandems, recumbent bikes and trailers are prohibited on board our trains.

Be sure to arrive early and leave sufficient time to remove large accessories from your bike (front basket, rear storage) and position yourself on the platform (bike areas are at the front of the carriage).

Useful info: You can disassembly and film-wrap your bike and store it in luggage racks:

- Be sure to leave around **15 minutes** for disassembly/film-wrapping of your bike (to be undertaken on the station concourse).
- Bike disassembly kits are available **from the station reception at the following stations: Arcachon, La Teste de Buch, Bordeaux St-Jean.**

WHAT IS THE BEST TIME TO TRAVEL WITH MY BIKE?

To make travel easier, please check the passenger volume on trains with the bike storage spaces:

• You are advised to favour travelling on trains offering the **TER + Bike service** or those indicated **in yellow**.

• At peak times, on trains indicated **in orange** and **in red**, the large passenger numbers may mean that you are refused access on board trains with a bike for safety reasons.
